“A TWIN FLAME RELATIONSHIP IS
ABOUT GETTING TO KNOW YOURSELF”

Rosemary Gallagher

Rosemary Gallagher thought she had her life mapped out, but it wasn't until things didn't go her way that she found true happiness

used to float along in life, expecting nothing much for myself – I

didn't have any great passion for anything in particular. I certainly didn't think I had any creative or spiritual talent of any sort. My only goal was to meet the man of my dreams and live happily ever after. In my mind, I didn't need to be 'successful' – he would be. It took me a few years to understand that the twin flame relationship is primarily about the relationship you have with yourself. And once I finally went within, I knew I'd
